SAMPLE ITINERARY

This is a sample itinerary and may be subject to change. We may need to alter or amend itineraries, excursions, accommodation, or sightseeing arrangements from those published, with little or no notice. This may be due to road conditions, weather, cultural considerations, safety factors and other operational considerations or government regulations. Final itineraries are sent to passengers approximately 2-3 weeks before travel.

DAY 1 – Cairns – Daintree River – Port Douglas

Today you will be greeted by our friendly and professional Tour Directors, before departing Cairns and travelling along the Captain Cook Highway to Mossman and then onto the picturesque Daintree Village.

Enjoy a cruise on the Daintree River with an expert guide who will share their intricate knowledge of the local ecosystem before checking in to the fully refurbished Sheraton Grand Mirage Resort where we will spend the next two nights. (L,D)

DAY 2 – Great Barrier Reef - Flames of the Forest

This morning we make our way to the Marina Mirage where we board the Quicksilver 'Wavedancer' Catamaran. Enjoy an informative talk by a marine biologist before heading out for the blue waters of the Low Isles in the Coral Sea.

Set like a jewel in a Great Barrier Reef Lagoon, Low Isles is an idyllic and unspoilt coral island. The clear and calm lagoon waters are ideal for snorkelling and swimming. Visitors are limited to protect the reef's ecology, so the whole of this beautiful, palm fringed island beach is yours to explore and enjoy!

Late this afternoon we are transferred back to the Sheraton Grand Mirage Resort and prepare for the unique 'Flames of the Forest' rainforest dining experience, located a short drive out of town. (B,L,D)

DAY 3 – Atherton Tablelands – Mission Beach

Departing Port Douglas this morning we travel south through Mt Molloy and Mareeba, taking in the magnificent farming regions of the Atherton Tablelands, before we head to Millaa Millaa Falls. We descend from the tablelands and head to Paronella Park, home to one of Australia's earliest hydro power systems.

Built in the 1930's to provide entertainment to the public, the park featured tennis courts, a cinema and even a ballroom inspired by Spanish castles. This fascinating historic site is now heritage listed and a highlight of your visit to North Queensland.

Passing through the small township of El Arish, we make our way to Mission Beach where we spend the night at Castaways Resort and Spa which is located right on the beachfront.

Arrive in time to enjoy a stroll along this sensational beach before dinner in the resort restaurant overlooking the Coral Sea. (B,L,D)

DAY 4 – Mission Beach – Townsville – Magnetic Island

An early start today as we depart Mission Beach and head south to Townsville and visit the Maritime Museum. This was established in 1986 when the Townsville Harbour Board proposed to the Seafarers Association to set up a nautical display.

Funded by a Federal grant for capital works, the Museum complex was architecturally redesigned with a footprint in the shape of a ship to include a viewing deck along with new and improved galleries, a memorial garden, model ship gallery, WW2 history, and the original bell of the steamship Yongala which disappeared off the coast in March 1911.

In 2007 HMAS Townsville, a Fremantle Class Patrol Boat, was also gifted to the Museum by the Commonwealth Department of Defence.

After lunch along we take the ferry across to Magnetic Island. Enjoy a tour of the island and explore the sights and beaches including Arcadia Bay. We return to the mainland and spend the night at the Ville Resort (B,L,D)
